11 November 2016

Dear Lynn

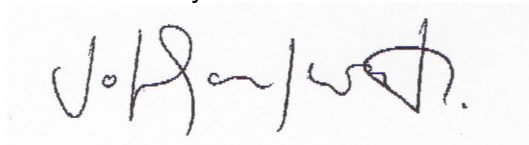

I have received a copy of the Ofsted inspection report for your school and want to send my warmest congratulations to you, your staff, the governors and of course the children. The report reflects the really fantastic work of the school team, under your leadership. The report is glowing and in many ways demonstrates achievements that are beyond good.

I am particularly pleased that the report recognises what an inspirational leader you are, and this is so well deserved for the contribution you have made to children's lives in Cumbria and in your career.

Children clearly thrive and your staff team are doing an excellent job. Your Governors are deservedly recognised for their work not only within your school, but also within the hub. This is a real role model to other clusters in our County.

Once again my congratulations for a well-deserved recognition of the high quality education you provide for your children. I wish the school continued success and your personal success and happiness in the future.

Yours sincerely

John Macilwraith
Corporate Director- Children & Families Services

Together we can achieve the very best for every child, young person and their family in Cumbria
