School @ Vic Café 24th November 2016

One Thursday a year, the Vic Café Committee kindly hand over the café to Y6 and the CSFA. This year we will be there on 24th November from 1.15pm.

We only need a couple of helpers on the day as there are lots of Y6's. However, we do need loads of cakes. Please would you return the slip at the bottom of the newsletter if you would be able/willing to bake or buy something for us to serve at the Vic on 24th November. Thank you.

Christmas Journey

This wonderful event is organised and delivered by people from our local churches. Some children from Class 1 will be attending. The children are taken on a 'journey' through the chapel at Langwathby where they meet characters from the Nativity and interact with them. It always takes their breath away! We will go by coach after lunch and be back by home time.

Singing @ Acorn Bank on Sunday, 11th December

This is always a lovely, festive occasion. All are welcome so bring family and friends. The singing will mainly be Class 2 and 3, so I hope lots of children will be able to come. Little ones are welcome to join in with the songs they know. Refreshments are served.

✂

I/We are willing to provide cake or traybake or buns/cupcakes for Y6 to serve at the Vic Café on 24th November.
