

How can ClickView support your child's learning?

ClickView provides teachers and students access to thousands of interactive videos and related resources to support learning and teaching. All ClickView produced content is developed with subject experts, ensuring it's age appropriate and aligned to the New Zealand Curriculum.

High-quality resources for learning

ClickView provides a library of video content explicitly aligned to the curriculum. Students and teachers can confidently access high-quality video resources that have been purpose-made by subject experts, or educationally curated from a selection of pay-TV or free-to-air programs.

Engaging and interactive

Teachers can find, edit and share relevant educational videos with students, including interactive learning tasks, through which teachers can monitor each student's understanding. Students can upload and share their work with teachers and other students to demonstrate their learning.

Access videos anytime, anywhere

Teaching staff can share clips with students to view at home so they can use class time for quality discussions, higher-order thinking and problem-solving.

Safe and age-appropriate

ClickView resources feature content classifications to help ensure students are accessing age-appropriate materials.
