CULGAITH CHURCH OF ENGLAND SCHOOL

2026/27 ADMISSIONS ARRANGEMENTS

The Governors of Culgaith C of E School are the Admissions Authority for the school. Following consultation with the Diocesan Board of Education and the Local Authority the Governors have set the admission number for access to the reception class as 8.

The parental pack contains information and a Common Application Form (SA1) for admission to our school.

It is also possible for an application to be made on the Westmorland and Furness Council website [School admissions | Westmorland and Furness Council](#)

An application for entry in September 2027 must be made by the closing date which is the 15th January 2027.

Those with parental responsibility are encouraged to name three schools in order of preference on the application form. The Governors operate a system whereby they consider all preferences equally. So the order of your preferences will not be used in considering your application. (It will only be used if a place is available for your child at more than one school.) Places at this school will be allocated according to this Admissions Policy and the Local Authority's Coordinated Admissions Scheme. A letter informing parents / carers of the success or otherwise of their application will be sent out by the Local Authority in April. Parents / carers of those children not offered a place will be informed of the reason and offered an alternative school by the Local Authority. They will be informed of their right of appeal.

All children will be admitted unless there are more applicants than places in which case the Governors will make allocations using the following criteria. These are listed in order of priority.

1. Children who are in Public Care or who have been adopted but were formerly in Public Care. This also includes children who were previously in Public Care outside of England. A child in public care is defined as a child who is looked after by the Local Authority within the meaning of section 22 of the Children's Act 1989.
2. Children who have physical and/or medical needs who would be disadvantaged by travelling to another school. Written evidence from an appropriate professional would be required for the Governors to consider admission in this category.
3. Children living within the catchment area having a brother or sister attending our school at the time of their admission giving priority, if necessary, to those children with the youngest siblings. Brothers and sisters are those living at the same address including step, adopted and foster children.
4. Children living in the catchment area
5. Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school.
6. Children living outside the catchment area but who are attending Culgaith School Nursery.
7. Children living outside the catchment area.

The criteria outlined above will be strictly followed there being one exception. If a child has a statement of Education, Health and Care Plan naming Culgaith CE School then, irrespective of the criteria, the child will be admitted as in these circumstances the Governors have a statutory duty to admit the child concerned.

Tie Break:

In some categories, where there are more applicants than places available, age will act as a determining factor but unless specified it will be distance. The distance is measured from the centre of the child's address, a common point on the school site as determined by the LA. The Governors will use the Local Authority's computerised Geographical Information System (GIS) to ensure consistency of measurement. The closest addresses will have priority.

Address of Pupil:

The address on the application form must be the current one at the time of application. Where a child can live at more than one address the home address is to be the one where the child sleeps and thus wakes up for all or the majority of the school week. Where there is any doubt the Governors reserve the right to verify the information provided by the parent(s) / carer(s), for example, through the GP or the child benefit address.

In Year Admissions:

In-year admissions are those which occur outside the "normal" admission time. If you wish your child to attend Culgaith C of E School you should visit our school and admission details will be provided if we have a vacancy in the relevant year. If your child is refused a place you will be informed of the reason for the refusal and of your right to appeal

Fraudulent applications:

If the Governors of Culgaith C of E School discover that a child has been awarded a place as a result of an intentionally misleading application from a parent/carer, for example, an incorrect address, and as a result it effectively denies a place to a child with a stronger claim then the Governors will withdraw the offer of a place. The Governors will reconsider the application and the right of appeal offered if a place is refused.

Deferred Admission:

For children beginning School following their fourth birthday, admission is normally in September. However, if you wish entry can be deferred until later in the year or until the term in which your child reaches compulsory school age. For example if your child's fifth birthday is between September and December then, if you wish, admission may be deferred until the beginning of the Spring Term. If it is between January and April admission may be deferred until the beginning of the Summer Term. You can also request part time education until the term in which your child reaches compulsory school age. The Governors recommend that in your child's interests full time education is deferred no later than the start of the Spring Term.

Appeals Procedure:

If the Governors are unable to offer your child a place because of over subscription you as a parent have a right of appeal under the School Admissions Appeals Code 2022. You should notify the Clerk to the Governors of Culgaith C of E School Church within 20 days of receiving the letter which will give the grounds for refusing a place. As a parent you will have an opportunity to submit your case to an independent (of the Governors) appeals panel. You must set out your grounds for the appeal in writing. You will normally receive at least 10 days' notice of the time and venue for the appeal hearing where you will be able to present your case in person. This right of appeal does not

prevent you from making an appeal in respect of any other school. The Independent Appeal will be organised on behalf of the Governors by the Local Authority Legal and Democratic Services Unit at Kendal.

Waiting List:

Those children who are not offered a place may, if the parents so wish, be placed on a waiting list. The names will be placed on the list in the order of the admissions criteria. Late applicants will be slotted into the list according to the admissions criteria. It is thus possible for a child recently arrived in the area to have a higher priority than a child who has been on the waiting list for some time. Irrespective of whether an appeal has been submitted, if a place becomes available it will be offered to the child on the waiting list with the highest priority for the place. The waiting list will remain open for the whole of the first term in the year to which it relates.

Infant Class Size:

If your child was refused a place in a reception or key stage one class because of Government limits on infant class size, the grounds on which your appeal could be successful are limited. You would have to show that the decision was one which no reasonable governing body would have made or that your child would have been offered a place if the governors' admissions policy had been properly implemented.

Multiple births:

The Governors of Culgaith C of E School will ensure as far as possible that twin, triplets or those children born in the same year are not separated.

Excepted pupils:

While no infant class is to contain more than 30 pupils there can be very limited exceptional circumstances. The admittance of such a child(ren) will be known as an "excepted pupil" for the time they are in an infant class or until the numbers fall back to the size limit. An excepted child would be one whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil. It might also include a child born in the same school year, a child with a Statement of Special Educational Needs or an Education, Health and Care Plan (EHCP), or looked after child or a child of a UK Serviceman to be admitted outside the normal admission period.

Nursery:

If you have a child in our Nursery School/Class then you must make a separate application for the Reception Class. A place in our Nursery School/Class does not guarantee a place in our Reception Class.

Charging:

We wish to make it clear that charges for school activities, including trips, are made on a voluntary basis and parents and carers have a right not to make the contributions. The admission of your child to our School is not dependent on your ability or willingness to make financial contributions.

Culgaith C of E School encourages children to walk to school but for those living further away a school bus service may be provided by the Local Authority.
